

SEALANT-NN

One-Component RTV Neutral Silicone Sealant for Multipurpose Uses

SEALANT-NN : High quality neutral silicone sealant and cures at room temperature

Product Characteristics :

- Ready to use for multi purposes
- Permanently and long last flexibility
- Excellent adhesiveness on metal sheets, galvanized steel , anodized aluminium , glass , stainless , concrete, fiberglass , ceramics , cement and various construction materials
- Excellent chemical resistance
- No corrosion on metals and low odor
- High level of heat and cold resistance with service temperature from -50 to 150°C
- Low shrinkage level sealant
- No solvent based and non-flammable sealant

Packing : 280ml

Colors : Translucent/ White/ Black/ Dark Brown/ Light Gray/ Aluminium

Properties :

Items	Results	Test Method
Appearance	Paste	
Viscosity Pa.s	-	-
Density 23c	1.04	JIS K-6249
Hardness shore A	22	JIS K-6249
Tensile Strength MPa	1.6	JIS K-6249
Elongation at break %	520%	JIS K-6249
Tact Free Time @ 23 degree C (Min.)	6 min.	JIS A-1439
Curing condition	Cured at Room Temperature	-

- **Curing conditions : 23-25 degree Celsius, 50-55% humidity , 7 days**

Standard testing complied with :

- ASTM C 920 Type S, Grade NS Class 25
- GB/T 14683-93 8020F,N
- JIS A 5758-97 G-F 20LM
- BS 5889 : 1989 Type B

Storage Precaution

- Stored between 1-25°C and keep out of sunlight
- For more details, please see the product data sheet and MSDS from authorized agents.

- The silicone products describes herein have been designed, manufactured and developed solely for general industrial uses only, such silicone products are not designed for, intended for use as, or suitable for medical surgical or other particular purposes. Users have sole responsibility and obligation to determine the suitability described herein for any applications, to make preliminary tests and to confirm the safety for their uses.
- Users must never use the silicone products describe herein for the purpose of implantation into the human body and/or injection into humans.
- Any claims on damage is not over the purchasing.
