## Electric Lift Stackers SES

Load Capacity : 1,000kg - 2,000kg

This Semi-electric stacker is used in many industries as a lifting equipment. It draws the energy it requires from a maintenance-free battery. Maintenance-free battery (no water topping-up), Powerful performance on a budget, 1600 to 3500 mm lift height, Powerful lift motor, Easy battery charging, Safe ergonomic operation
